Space & Naval Warfare Systems Center Awards Contract

SAN DIEGO -- SEMCOR, Inc. of Mt. Laurel, New Jersey, is being awarded a \$5,473,581 indefinite delivery/indefinite quantity-type contract with cost-plus-fixed-fee pricing to provide systems engineering, integration, installation and technical support for ashore and afloat communications and information systems and networks, such as the Joint Maritime Communications Strategy (JMCOMS), Joint Maritime Command Information System (JMCIS), Naval Base Level Information Infrastructure (BLII) and associated Radio Frequency and terrestrial, fixed and mobile communications. This contract contains four options which, if exercised, will bring the total cumulative value of this contract to \$29,065,336. Work will be performed in San Diego. The period of performance is from November 1998 through November 1999. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured, with 105 firms solicited and one offer received. Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-99-D-5023).

For more information contact:

SSC San Diego point of contact: Ms. Sharon Pritchard, contract specialist, telephone (619) 553-4492.

Industry point of contact: Mr. Thomas Karr, Vice President, Contracts, SEMCOR, Inc., 815 East Gate Drive, Mt. Laurel, NJ 08054, telephone (609) 234-6700.

Space & Naval Warfare Systems Command Public Affairs and Corporate Communications Office, San Diego, Mr. Richard Williamson, 619-524-3432.
